EXPERIENCE

Nuevo Foundation — *Software Engineer Intern*

06/2020 - 09/2020

- Collaborated in a team of 2 members to gamify an introduction to SQL workshop, including taking responsibility for artwork and planning game flow design.
- Worked with Microsoft engineers to provide coding content to underrepresented students to learn problem-solving skills.
- Design and construct a workshop translating technical SQL concepts into plain English and integrating dynamic HTML elements and JavaScript functionality onto a website built with Markdown.

UCSD & Qualcomm Institute — *VR Research Intern*

09/2019 - 03/2020

- Coordinated with a multidisciplinary team to research and develop a human-centered VR experience using Unity (C#) and Oculus Rift.
- Organized presentations and communicated progress regularly to senior management.
- Acquire skills in conducting research and technical writing.

Clark Center & Qualcomm Institute — *UI/UX Research Intern*

01/2021 - 03/2021

- Assisted in programming the UI for a mixed procedural rendered virtual space.
- Provide support in creating a virtual persistent running environment to visualize all network data from ARNOC's Netbox (GIS data) using Unreal Game Engine (C++).
- Researched Kubernetes (open-sourced container orchestration tool) and Nautilus (cluster for running containerized data applications).

EDUCATION

San Diego State University — M.S. in Computer Science

08/2021 - Present

Expected Graduation: 05/2023

Relevant Coursework: Artificial Intelligence, 3D Programming, Wireless Networks

University of California; San Diego — B.S. in Computer Science

09/2018 - 07/2021

GPA: 3.6

SKILLS

Programming Languages: Java, Python, HTML, JavaScript, CSS, C#, C++

Tools: VSCode, JUnit Testing, VIM, Command-Line Linux, GitHub, Unity, Unreal Engine

Technical Writing and Presentation: Google Docs/Microsoft Word, PowerPoint, Excel

Soft Skills: Experimentation, Problem-Solving, Communication, Teamwork, Detail-oriented, Time Management, Organization, Curiosity

CERTIFICATIONS

2021 AT&T Summer Learning Academy Extern

07/2021 to 07/2021

Acquired business and technical entry-level training along with personal growth and professional development throughout 80-hours of self-paced learning lessons.

2020 AT&T Summer Learning Academy Extern

06/2020 to 07/2020

Completed entry-level training in media, technology, communication, and leadership from business executives and recognized experts in a remote environment.
